Join Us for the 16th Annual Frempong's Autism Charity Golf Tournament!

Dear Friends and Supporters,

It's that time of year again, and we would love to have you join us for the 16th Annual Frempong's Autism Charity Golf Tournament, in support of PLAY (Physical Lifestyles for Autistic Youth)!

I founded PLAY in 2010 to create structured physical activity opportunities for children like my sons, Junior and Josiah, who live with autism. Over the years, we've seen firsthand how vital it is for children with autism to have spaces where they feel welcomed, encouraged, and empowered to thrive.

Autism remains one of the most widespread developmental conditions today more prevalent than paediatric cancer, AIDS, and diabetes combined. Today, 1 in 66 children are diagnosed with autism, with boys being four times more likely than girls to receive a diagnosis.

At PLAY, we believe that no child should be left on the sidelines. Through our weekly sessions, children with autism build motor skills, develop social connections, and learn the basics of team sports like soccer and basketball – all in a fun, supportive environment. The positive feedback from our families and children over the years inspires us to keep growing and reaching more kids each season.

There are so many ways you can help support PLAY this year:

- Sponsor the tournament and enjoy a golf foursome, dinner tickets, and recognition on and off the course.
- Advertise your business in our event program and reach a broad and engaged audience.
- Donate to our silent auction or raffles.
- Register to golf as an individual or bring a team of friends or colleagues.
- Join us for dinner and the silent auction after the tournament.
- Support a golfer by contributing to their personal fundraising efforts.

We hope you'll join George, myself, and the entire PLAY community on September 7, 2025, at Woodington Lake Golf Club for an incredible day of golf, camaraderie, and support for a cause that means so much to so many. A sponsorship and registration package is attached for your convenience.

We can't wait to welcome you!

Warmly,

Voceta Frempong

Founder, Physical Lifestyles for Autistic Youth (PLAY)
